ABOUT US

Smile Cares Trust was founded by Sharon and Justin Emmett with a vision to serve humanity through compassion, education, and community development. What began as a calling to make a difference in the lives of vulnerable people became a reality on 15 December 2003. Smile Cares was officially registered as a non-profit charitable trust on 11 February 2004.

The registered office of Smile Cares Trust is located at No. 20/2, 14th Street, Anjugam Nagar, Kolathur, Chennai – 600099, India.

For more than two decades, Smile Cares Trust has been dedicated to identifying and supporting underprivileged children, women, senior citizens, and families across India. Our primary focus is to provide quality educational opportunities for children and meaningful social and self-help programs for women, elderly people, and families in need.

Our Vision

We believe every person deserves hope and the opportunity to thrive. By investing in education, empowering women, caring for the elderly, and strengthening families, Smile Cares is building stronger communities and transforming lives for generations to come.

Together, we can make a difference—one life, one family, and one community at a time.

EDUCATION

Education for Children – School & College

“Investing in Education, Building Brighter Futures”

Education remains at the heart of our mission. Over the years, Smile Cares has supported the education of more than 1,000 children through primary, secondary, and college education programs. The students we support, ranging in age from 4 to 21 years, attend schools and colleges in various parts of India, often close to their homes and communities.

Many of these students are first-generation learners and graduates. Through access to education, they acquire valuable skills, gain confidence, and become agents of change within their families and communities. We believe that education is one of the most powerful tools to break the cycle of poverty and create lasting social transformation. Education, helps them pursue their dreams and build a better future. Every opportunity to learn is an investment in a life filled with hope and possibilities.

SENIOR CITIZENS PENSION

“Caring for Our Senior Citizens with Dignity”

Smile Cares is committed to ensuring that elderly people live with dignity and security. Many senior citizens face neglect, financial hardship, and health challenges during their later years. Through our elderly care program, we provide a monthly pension that helps meet essential needs such as food, medication, and daily living expenses.

This initiative has supported approximately 500 senior citizens across India, providing comfort, stability, and hope during their retirement years. Through regular contact and visits, we seek to remind them that they are valued, cared for, and not forgotten.

Women Empowerment

Smile Cares encourages and equips women to become confident and financially independent. Through practical support, skills development, and income-generating opportunities, women are empowered to use their talents to support themselves and their families.

MIDDAY MEALS

“A Meal Today, Hope for Tomorrow”

Through our Midday Meals Project, nutritious meals are provided to people in need from Monday to Friday. What may seem like a simple meal can bring nourishment, dignity, and encouragement to those facing difficult circumstances.

GROCERIES FOR CHILDREN AND FAMILIES.

“Sharing Essentials, Strengthening Families”

Smile Cares Trust provides monthly grocery support to children and families experiencing financial hardship. These essential provisions help ease the burden of everyday living and bring stability and encouragement to families in need.

YEAR END GETTOGETHER CELEBRATION

“Celebrating Together, Creating Lasting Memories”

Our year-end celebration brings beneficiaries together for a special time of fellowship, food, gifts, and joyful memories. It is an opportunity to celebrate each person and remind them that they are an important part of the Smile Cares family.
